**SUPPLEMENTARY SAILING INSTRUCTIONS
WINTER RACE SERIES 2019**

**All races will be governed by the current QLYC Sailing Instructions
and Winter Sailing Instructions except as amended below:**

6. The Start

In the absence of a committee boat, a start mark will be laid or nominated and each boat will start on starboard tack, to leeward of the start mark.

Start time is to be recorded by the skipper or crew of each boat as the mark is passed.

Each boat will be advised of their individual starting time prior to the race. This will be a nominal start time, the importance being accurate recording of the actual start time.

8. The Finish

In the absence of a committee boat, a finish mark will be laid or nominated.

The finish time is to be recorded by the skipper or crew of each boat as the mark is passed.

NOTE

Skippers are reminded of ISAF Fundamental Rule Part 1, 1.1, Helping Those in Danger.
Any time lost in doing so may be claimed in writing using a protest form.
